

Shake

The Pack A.D.

Hey, let's go down to the fair
I can pull on all of your hair
You should get a haircut
Let's drink some milk and shake

Shake
Shake
Shake

We can play all the games
And win a stupid prize, like a roach clip
Your eyes look like balloons
Let me pop them and shake

Shake
Shake
Shake

Now I can't feel any of my teeth
From all that candy floss
Crazy Beach Party calls to me
Throw up, throw down and shake

Shake
Shake
Shake

Shake
Shake
Shake
Shake
Shake
Shake
