

Sirens

The Pack A.D.

Four hundred leagues
Down deep below
This horror breeds
Movin' slow
Six secrets safe
Skulk near my fate
Yeah, right

Shah!
Whoo-who
Whoo-who
Whoo-who
Whoo-who

Cool apathy
For monstrosity
Will keep me whole
A muscle
The water's depths
Can't kill me yet
Yeah, right

Shah!
Whoo-who
Whoo-who
Whoo-who
Whoo-who

Trapped safe and sound
It looks around
Till it goes free
You needn't fear
Say you trust me?
My back has wings?
Yeah, right

Shah!
Whoo-who
Whoo-who
Whoo-who
Whoo-who

Ahh
Ahh
Ahh

Whoo-who
Shah!
Whoo-who
Shah!
Whoo-who
Shah!
Whoo-who
Shah!
Whoo-who
Shah!
Whoo-who

Shah!
Whoo-who
Shah!
Whoo-who
Shah!
