

Walk On

The Pack A.D.

Walk on
Walk on, mm-mm
Grey eyes
Walk on
Grey eyes
Grey eyes
Walk on
My grey eyes

Cold wind
Sighin' pines
Never seen snow
So white
Gone red
Gone red
From the bloodshed
Of dyin' men

Mighty Mist
Mighty Mist
Why did you take away my life?
They let
They let the colour stray
Let it stray from
Those grey eyes

Walk on
Walk on, mm-mm
Grey eyes
Walk on
I will
I know I will
I will, I will
I will walk on
