

# I'm on the Road

The Partridge Family

Today may be a never ending highway  
And yesterday a half-forgotten smile  
But I can hear tomorrow singing from around the bend  
It's just another dusty mile  
And I've got dreams to spare and time to spend  
Time to spend

So I'm on the road travelin' free and easy  
(Travelin' on) Gotta get on (Well, I gotta get on)  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road

The morning whispers follow me, come my way  
By noon, I'm on the far side of the sun  
And I can't keep these wheels from rolling on to one more town  
There's so much to be seen and done  
To settle up before I settle down  
Settle down

So I'm on the road travelin' free and easy  
(Travelin' on) Gotta get on (Well, I gotta get on)  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road

See the country side unreeling, watch it all unwind  
Nothing I know beats this feeling  
Of not knowing where you're going  
Or what you're gonna find

On the road, travelin' free and easy  
(Travelin' on) Gotta get on (Well, I gotta get on)  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road

Doo do do do do do do do do do do do do do
