

# It Means I'm In Love With You

The Partridge Family

I can't sleep at night  
I ain't been eating right  
Just seeing you and me together  
Together, Together

We'll I've been skipping down the cobblestones  
Talking to myself alone  
Sleeping by the telephone  
And I like it

Ever since we talked that night  
Flying like a summer kite  
My momma says I ain't been right  
I believe it

[Chorus:]

'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means

Got myself together if I say so myself  
Love is going to get me by, by  
Jack in the beanstalk  
Climbing all the way to the beautiful sky,  
To the beautiful sky, to the beautiful sky

[Chorus]

Got myself together if I say so myself  
Love is going to get me by, by  
Jack in the beanstalk  
Climbing all the way to the beautiful sky,  
To the beautiful sky, to the beautiful sky, together

I can't sleep at night  
I ain't been eating right  
Just seeing you and me together  
Together, together

'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you

[Chorus x2]
