

Stephanie

The Partridge Family

Stephanie, whose eyes are blue
What would life be like with you
I've just been wondering and I'd sure like to see
If you've been a thinkin' the same about me

And I'm doin' all I can do
All but the growin' and that's up to you

Stephanie, your eyes are free
You can see things as they appear to be
I don't have to tell you how much I really care
You and I both know about the love that we share

And I'm doin' all I can do
All but the growin' and that's up to you

And I'm doin' all I can do
All but the growin' and that's up to you
And I'm doin' all I can do
All but the growin' and that's up to you

And I'm doin' all I can do
All but the growin' and that's up to you
And I'm doin' all I can do
All but the growin' and that's up to you

And I'm doin' all I can do
All but the growin' and that's up to you
