

So Far so Good

The Paul Butterfield Blues Band

Well, so far so good our love affair, has been so good
so far
Yeah, so far so good our love affair, has been so
doggone good
Yeah, if he would try to break this up as if they could
Go on, let them try as if they would
Well, so far so good our love affair, has been so good
so far
Yeah, so far so good our love affair

So far we're feeling so good
You can't shake it, you can't break it
Our love affair
There's a lot you can try on our love affair
You can weed it, you can bleed it
Our love affair
Has been so doggone good
Well, so far so good our love affair
Has been so good so far
Yeah, so far so good our love affair
Has so far been so good

Yeah, if you begin to say it
And know the games I'm playing
I just want it understood
Just talk doggone good
So far so good our love affair
Has been so good so far
Yeah, so far so good our love affair
Has been so doggone good
Yeah, so far we're feeling so good
Oh, baby, we're feeling so good
I knew we would feel good, yeah
Feel so good, yeah
You can't shake it and you can't break it
Our love affair, ooh
Come on, baby, our love affair
So far so good, baby
So far so good, baby
Yeah, yeah
So far so good, baby
So far so good, baby
So far so good, baby
