

# Devil That I See

The Penguins

Devil that I see, you know  
Just what you mean to me  
My eyes will follow you dear  
When you pass me so near

Devil that I see, you know  
Just what you mean to me  
I'm the victim of your charm  
When I hold you in my arm

I don't care 'bout the world ('bout the world)  
Or what some people might say (might say)  
I've had lots, lots of trouble (lots of trouble)  
But I love my baby anyway  
(Doowop, doowop)

Devil that I see, you know  
Just what you mean to me  
I'm the victim of your charm  
When I hold you in my arm

I don't care 'bout the world ('bout the world)  
Or what some people might say (might say)  
I've had lots, lots of trouble (lots of trouble)  
But I love my baby anyway  
(Doowop, doowop)

Devil that I see, you know  
Just what you mean to me  
I'm the victim of your charm  
Oh, devil that I see (devil that I see)
