

## Back At It

### The Phantoms

Welcome back, it's been a minute, y'all  
Once again back in the saddle  
So come one, come all  
We gonna rock n roll  
Let's get together, who's in?

We're back at it again  
Back at it again  
Welcome back

We're back, y'all, we're back  
We're back, y'all, hey, woo  
(Verse two)

Hello hello, it's been a long while  
(Yah, been a long while)  
It's time to go by a long mile (yeah)  
So tell all your friends  
And getcha family  
Let's run it back, yes we can (yeah)

We're back at it again  
Back at it again  
Welcome back

Hello, hello, hey, hi  
How you been? It's been a while  
Hello, hello, hey, woo  
Let's get together, what you wanna do?

Let's get together like old times  
Let's get together  
I know we're gonna have a good time  
Yeah

Let's get together like old times  
Let's get together  
I know we're gonna have a good time  
Amen

We're back at it again  
We're back at it again (One more time)  
We're back at it again (We're back at it again, haha)  
We're back at it again (Back in the saddle, y'all)  
We're back at it again
