

# Bad Things

The Phantoms

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

We're goin' down to where the wild things live  
Pitch dark and wickedness  
Gonna hunt you down like an animal  
Dead or alive, have mercy on our souls

We're goin' down to the dark  
Diggin' down in the deep  
Where the bad things are  
Goin' down  
Into the belly of the beast

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

Goin' down  
Into the belly of the beast

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

There's no turnin' back now  
Bad things are comin' this way  
This time there's no escape  
Bad things are comin' this way  
Get down on your knees and pray  
You best get ready to fight or start runnin'

Bad things are comin'

There's a battle inside your heart  
And it's been there from the start  
There's a darkness hiding below  
A tickin' time bomb that's about to blow

Bad things are comin'  
You best start runnin'

Into the belly of the beast

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

Goin' down  
Into the belly of the beast

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

There's no turnin' back now

Bad things are comin' this way  
This time there's no escape  
Bad things are comin' this way  
Get down on your knees and pray  
You best get ready to fight or start runnin'

Bad things are comin'

(Bad things are comin')  
(Bad things are comin')  
(Bad things are comin')

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh

Goin' down  
Into the belly of the beast

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh

There's no turnin' back now

Bad things are comin' this way  
This time there's no escape  
Bad things are comin' this way  
Get down on your knees and pray  
You best get ready to fight or start runnin'

Bad things are comin'
