

Devilish

The Phantoms

I was born to cause trouble
It's just a part of me
The world made me coldblooded
No mercy for the weak
No mercy for the weak
Revenge, my favourite dish
Your sins falling from your lips
Lights out, time to make a wish
Oh oh oh, so devilish
So devilish
Oh so devilish
Revenge, my favourite dish
Oh oh oh, so devilish
Yeah they say I'm sinister
They say I'm wicked to the core
But I'm more like a pillager
Who you let in the front door
So devilish
So devilish
Oh so devilish
Revenge, my favourite dish
Oh oh oh

So devilish
So so devilish
So devilish

So devilish
So so devilish
So devilish

So devilish

So devilish
So devilish
Oh so devilish
Revenge, my favourite dish
Oh oh oh, so devilish
