

# Game Time

The Phantoms

Get ready

You know what time it is  
So let the war begin  
We're taking off the gloves  
We'll hit you till you had enough, yeah

You know it's game time

Here we go  
Locked in the zone  
Welcome to the show  
It's time to rise  
Get ready for the fight  
It's going to get wild  
It's game time

Let's go  
Let's go  
Let's go

This is the battleground  
Until the final round  
We're going to elevate, going up  
Make you wish you never came this time

You know it's game time

Here we go  
Locked in the zone  
Welcome to the show  
It's time to rise  
Get ready for the fight  
It's going to get wild  
It's game time

Let's go  
Let's go

You know it's game time  
You know it's game time  
You know it's game time  
You know it's game time

Get ready  
It's game time

Here we go  
Locked in the zone  
Welcome to the show  
It's time to rise  
Get ready for the fight  
It's going to get wild  
It's game time

Let's go  
Let's go

It's game time
