

# Get Ready, Get Set, Let's Go

The Phantoms

We're on the move now, we're running loose now  
Doing everything and anything we choose now  
Look out below, I think you know  
So get ready, get set, let's go

We got a world to see  
Be who we want to be  
Turn up the radio  
So get ready, get set, let's go

We ain't ever slowing down, no no no  
Get ready, get set, let's go  
Yeah the time is right now, oh oh oh  
Get ready, get set, let's go  
Yeah let's go, let's go

We're going here, we're going there  
We're going everywhere and anywhere (anywhere)  
Across the desert, over the sea  
Up to the mountain top, set me free

We got a life to live  
A lot of love to give  
From Boston to Chicago  
On your mind get ready, get set, let's go, let's go

We ain't ever slowing down, no no no  
Get ready, get set, let's go  
Yeah the time is right now, oh oh oh  
Get ready, get set, let's go

On your mind get ready, get set  
On your mind get ready, get set  
On your mind get ready, get set  
Let's go, let's go  
On your mind get ready, get set  
On your mind get ready  
On your mind get ready, get set  
Let's go, hey, let's go  
4 3 2 1

We ain't ever slowing down, no no no  
Get ready, get set, let's go  
Yeah the time is right now, oh oh oh  
Get ready, get set, let's go  
Yeah let's go, let's go  
Yeah let's go, let's go

Get ready, get set, let's go  
Get ready, get set, let's go  
Get ready, get set, let's go  
Get ready, get set, let's go, let's go
