

Warrior

The Phantoms

The drums of war are beating
At the end of it all
The last light is fleeting
As the shadows fall

But still we stand up
We stand up
We stand up

Like a warrior
In the darkest days
Like a soldier
Till there's no one left to save

This is a call to arms
This is a battle cry
This is the final hour
This is the moment that we rise and fight

We'll fight
We'll fight
We'll fight
Like a warrior

Like a warrior

I can feel the darkness
God knows it takes a toll
Leaves you cold and heartless
It cuts through your very soul

But still we'll rise up
We'll rise up
We'll rise up

Like a warrior
In the darkest days
Like a soldier
Till there's no one left to save

This is a call to arms
This is a battle cry
This is the final hour
This is the moment that we rise and fight

We'll fight
We'll fight
We'll fight
Like a warrior

Like a warrior

Like a warrior
Like a warrior
Like a warrior

Like a warrior

In the darkest days
Like a soldier
Till there's no one left to save

This is a call to arms
This is a battle cry
This is the final hour
This is the moment that we rise and fight

We'll fight
We'll fight
We'll fight
Like a warrior
