

# Homegrown

The Pharcyde

You can't go wrong when you hit this, here, homegrown  
You can't go wrong when you hit this, here, homegrown

Mind want some mana ganja from Africa  
Mind want some mana ganja from mama Africa  
Herb of healing for the body  
Herb of healing for the mind  
Herb of healing for the spirit  
Herb of healing for all who are willing

You can't go wrong when you hit this, here, homegrown  
You can't go wrong when you hit this, here, homegrown

The seeds having song and harvest time  
Now come right along  
Come on, my peeps, and get your own  
Help out, man, sing this happy song

You can't go wrong when you hit this, here, homegrown  
You can't go wrong when you hit this, here, homegrown

Take a hit  
Take a hit of us  
And you tired of crack and angel dust  
Ain't no need for us to buss and cuss  
'Cause we only discussin', just us  
Just us
