

## Horse Of Fire

The Picturebooks

This burning desire  
Made me play with a fire  
Dancing around these flames  
Unleashed, it seems so hard  
So hard to tame

This burning desire  
Made me ride this horse of fire  
Through valleys of gold  
The story of a man and his friend unfolds

I am a liar  
Drowning in the fire  
Burn down to ashes  
Where my sins become nothing  
But dust in the wind  
Where my sins become nothing  
But dust in the wind

I watch and listen  
To my funeral choir  
No one around me  
While I ride into nowhere  
On my horse of fire  
While I ride into nowhere  
On my horse of fire
