

Riders And Farmers

The Picturebooks

We've been offered a brand-new ride
We get a feeling it's gonna be all right
We have to tell you these guys are good mates
French and the Germans
All together
A new smart story

Yeah!
Yeah!

Germans are the riders, French are the farmers
It's a new story

It's a new story
It's a new story

Hitting the road, was winter no sunshine
Rocking the gigs, singing with the crowd
French and the Germans laughing out loud
Playing heavy blues
All together
A new smart story

Yeah!
Yeah!

Germans are the riders, French are the farmers
It's a new story

Yeah!
Yeah!
Yeah!

Germans are the riders, French are the farmers
It's a new story
