

## Little Engine

The Pietasters

Little engine, down the line, you're not afraid to try  
You wanna get up that hill, I think you will. Little  
engine.

Little engine, off the track, no longer going "clickity  
clack", Do you finally think it's time to quit, past your  
prime get over it A little engine, a little engine, a  
little engine, a little engine.
