

## Maggie Mae

The Pietasters

feel low Drink ourselves into a state, drown our sorrow  
and fuel our hate A bar maid beauty in a tight black  
dress pours our beer and cleans our mess Answers to the  
name of Maggie Mae, wait'll we see her what'll we say?

Maggie Mae bring us another beer we need another beer

another beer we need another beer Take away our  
troubles, dear
