Quicksand

The Pietasters

I thought it was infatuation, I couldn't find the bridges behin d me

Here today, gone tomorrow, never thinking loving wouldn't find me

Now, my fee is love, I'm after, my courts show the walls of dis aster 'cause

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

I will solve the things to loving and it was a case of taking or leaving

So, I crossed it off as usual, your love came, I couldn't belie ve it

So, like a child who plays with fire, I'm going after my own de sire 'cause

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

Can't you see I'm sinking, baby? Come on, help me now, help me now

Come on, help me now, help me now

This is more than just flirtations, sure it's not a hopeless si tuation 'cause

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby

Love is like quicksand, I'm sinking deeper and deeper, baby But the mountain of my mistakes, is looking steeper and steeper, baby
