

Ninny

The Pillows

Ninny, capricious Ninny on a lonely day you call my name Ninny,
gentle Ninny you told a sad lie just once but...

Ninny, capricious Ninny bit by bit you're becoming an adult Ninny,
gentle Ninny you lost only one dream in the night

Ninny, the truth is: that without tears, without a sound Ninny
you were crying

Ninny, I'm sure, no matter who's you are, you're probably not feeling
uneasy, that feeling doesn't fade I loved you so much that I tremble
each time I turn and remember, Ninny

Ninny, capricious Ninny Ninny, gentle Ninny Ninny, farewell, Ninny

Ninny..
