

## Purple Apple

## The Pillows

My watch is five minutes slow.  
I have only two dollars.  
I called and called and called  
but no one came.  
I can live without friend.  
Music and tea relax me.  
So, I am ready to hear bad news.

I don't care whether I win or lose.  
I am ready fot the game.

I lost the train last night.  
I was quite wet from head to foot.  
How do you get to know I am ill?  
A bright idea flashed on me.  
So I must be going now.  
You know, there is a time for evaything.

Does everyone feel nothing?  
I am a stranger even now.

What is happiness?  
Is that beautiful?  
What is ordinariness?  
Please, tell me.  
This beer tastes flat.  
That's like popular song.  
What is a balance?  
Is that necessary?  
What is ordinariness?  
Please, lend me.  
This apple have no seeds.  
That's like popular song.
