

Bitter Day

The Pineapple Thief

What a bitter day
It's with me all the way
I've seen this site before
A thousand times or more

And what a bitter day
That's all I have to say
A different point of view
Well it's impossible to do

It's another breaking day
And I'm keeping it away, away
I hold you in my arms
And watch the cold alarm
And I've seen this site before
A thousand times or more

And I've seen this site before
A thousand times or more
And what a bitter day
I'm with you all the way
