

## Election Day

### The Pineapple Thief

Awoke this November day  
Our hope has faded away  
Right now

But as day slips away  
Leaving me and you castaways  
Oh can't you see I'm not alone in these darkest days  
We have to come closer

It will all be over  
It will all be over  
It will all be over  
This has to be over  
Yeah it will all be over soon

Oh, my love just come inside  
Out there, they are eating themselves alive  
Oh, the lyin' hurts my soul  
We will come closer

It will all be over  
It will all be over  
It will all be over  
This has to be over  
Yeah it will all be over soon

Yeah this will all be over  
This has to be over  
Yeah it will all be over soon
