

## Our Mire

## The Pineapple Thief

I didn't want to wake up  
I didn't wake up intending to slide  
Into our mire

I didn't want to wake up  
I didn't want to wake up now  
I didn't want to see our ship  
Going down

I have all the time for this  
Every second more  
To keep our heads above water  
That's what we were for  
Half a second is all you were given for  
This our final call  
Is that was I was for?

I didn't want to wake up  
I didn't want to wake up now  
I didn't want to see our ship  
Going down

When you stumble on  
It's someone you're looking for  
To push away the tide  
That's what we were for  
When we stumbled on  
Just what we were looking for  
To spend our days with you  
That's what we were for

You think I was in on it?  
You think I ignored the warning signs?  
All I could see was the glistening of the wake we left behind  
The first to jump this ship will be the first to stay alive  
Go down with this ship to stay alive

I didn't want to wake up  
I didn't want to wake up now  
I didn't want to see our ship  
Going down

Kneeling on this shore  
Looking down  
We are face to face  
Into the ground  
Wherever you are  
Wherever you ran aground  
I know it broke our hearts when our ship went down
