

What Are You Saying?

The Pineapple Thief

Been trying to tell you what I see is what I see
You don't want to know
Been trying to tell myself it's not what's going to be
To be the death of me
I reckon it is breaking up
It's breaking up to tease the life out of me
I reckon it is breaking up
It's breaking up to tease the life out of me

What are you saying?
What are you saying?
What are you saying?
What are you saying?

Been trying to tell you what I need is what I need
You don't want to know
Been trying to tell myself a thousand times
A thousand little pieces of me
Scattered all around this place, around this place
Has been the definition of me
Been trying to tell myself a thousand times
The thousandth time

What are you saying?
What are you saying?
What are you saying?
What are you saying?

So, who have they been talking to?
Yeah, who have they been talking to?

Been trying to tell you what I need is what I need
It's got the better of me
Been trying to tell myself a thousand times
A thousand little pieces of me
Scattered all around this place, around this place
Has been the definition of me
Been trying to tell myself a thousand times
Has been the definition of me

Who have they been talking to?
Yeah, who have they been talking to?
They say that I've been loving you
But who have they been talking to

Who have they been talking to?
Yeah, who have they been talking to?
They say that I've been loving you
But who have they been talking to
