

## Tear It Up

The Planet Smashers

Thinking about the times I was far from this city  
Makes me wish I had spent them with you  
Don't need to wish for more  
Life's repeat to some's a chore  
I don't need to think this through  
I want to waste my time with you  
Tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Yeah, we're going to tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Memories of places I've been to ,don't mean anything  
Cause I didn't make them with you  
I don't need to wish for more  
Life's repeat to some's a chore  
I don't need to think this through  
I want to spend my time with you  
Tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Yeah, we're going to tear it up, tear it up  
Oh we're going to tear it up, tear it up  
I don't need to wish for more  
Life's repeat to some's a chore  
I don't need to think this through  
I want to spend my time with you  
Ah-woo, ai-yi-yi-yi, ai-yi-yi-yi!  
Ah-woo, ai-yi-yi-yi, yi-yi-yi!  
Tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Yeah, we're going to tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Yeah, we're going to tear it up, tear it up  
Oh we're going to tear it up, tear it up  
Ah-woo, ai-yi-yi-yi, ai-yi-yi-yi!  
Ah-woo, ai-yi-yi-yi, yi-yi-yi!
