Remember When

The Platters

Remember when I first met you My lips were so afraid to say, "I love you"

Remember when to my surprise The heaven in my heart leaped into your eyes

Remember how much I cried Tears of joy to think you were mine Darling, down deep inside I still feel that feeling divine

I loved you then and I still do I can't remember when I didn't love you

Remember how much I cried Tears of joy to think you were mine Darling, down deep inside I still feel that feeling divine

I loved you then and I still do I can't remember when I didn't love you
