

# Sleeping Alone

The Pointer Sisters

Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo

I'm still sleeping, sleeping, sleeping alone  
Sleeping alone  
Tossin', turnin', cryin' from sleeping alone  
Sleeping alone

(He went away)  
Without a sound  
(He went away)  
Without a sound  
I'm all alone

I'm still sleeping, sleeping, sleeping alone  
Sleeping alone  
No one near me hears me by my pillow  
By my pillow

He went away without a sound  
He went away and left me here without a sound  
All alone

Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo

Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo  
Doo-doo-doo-do, doo doo, do-doo

Doo-doo-doo-do, doo doo, do-doo

I'm still sleeping, sleeping, sleeping alone  
Sleeping alone  
Tired of sleeping, sleeping, sleeping alone  
Sleeping alone

(He went away)  
Ah, you had to go, but I'm thankful for the beautiful times we had  
(He went away)  
Take my love as a friend, and when we meet again, it will sure make my heart  
feel glad  
(He went away)  
I'll never forget the night we kissed for the first time  
(He went away)  
Even though you must, you'll never go away from my mind

I have the blues
