

## Now Is The Time

The Poodles

This is a message to all my friends  
This is a letter that wasn't sent  
A call of arms to fight  
Into the dark of night

This is a chance to start again  
This is a chance to make amends  
To heed the lonely cry  
To give it one last try

Oh, I need you by my side  
Oh, Tonight we ride

We're lost in time, out of mind  
Waiting for a light to shine  
There's a chance for us tonight  
Let them know; We live for the fight!  
Now is the time

This is the time to let you know  
This is the only way to go  
The key for one more turn  
The answer you must learn

This is the time and place my friend  
There's no reason to pretend  
The moment to speak the truth  
This is the time to choose
