

Stop

The Poodles

You really took me by surprise
Your silver tongue and angel eyes
My heart is yours I'll never be free

So tell me now
Do we need this masquerade?
Take of your shades, face me

You got to stop now I'm begging you
I can't take more and I'm on my knees
You got to stop
'Cause my time is running out
Tick tock, tick tock
You got to stop now I'm begging you
You know I'm half the man I used to be
I got to stop
'Cause my time is running out

The moon comes up, the sun goes down
Still I'm walking down your street
I'm left here like a dog without a bone

So tell me now, why we need this masquerade
Take of your shades, face me

You got to stop now I'm begging you
I can't take more and I'm on my knees
You got to stop
'Cause my time is running out
Tick tock, tick tock
You got to stop now I'm begging you
You know I'm half the man I used to be
I got to stop
'Cause my time is running out
Tick tock, tick tock, tick tock

You got to stop now I'm begging you
Tick tock, Tick tock

You got to stop now I'm begging you
I can't take more and I'm on my knees
You got to stop
'Cause my time is running out
Tick tock, tick tock, tick tock, tick tock
