

Looking Lost

The Posies

(if I were an Oscar Meyer Weiner, 1-2-3-4, 1-2-3)
don't get too smart, don't react
hide your knowledge, fight the facts
loathe your lesson, stay intact
forget the message from a simple mind
save your back
little puppies looking lost
waiting for a train of thought
never see the meaning free
no hard feelings, no more shame
this doping sees us, an easy blame
hopeless people, profit pain
keep it under like a simple mind
keep it tame
little puppies looking lost
waiting for an avalanche
never slow the endless snow
little puppies looking lost
waiting for an avalanche
never slow the endless snow
sons and daughters looking lost
notice how they always laugh
but you never see them smile
