

# Ghosts Are Everywhere

## The Presidents Of The United States Of America

Ghosts are everywhere  
Inside big old bass tones  
Deep in the belly of a fish  
I can't help noticin'  
Their pearly teeth are flickerin'

Ghosts are everywhere  
Some are superstars with  
Preformed, plastic, paste on hair  
Driving, hiding behind sunglasses  
And I just can't help but stare  
And I hear them singin':

Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Everywhere  
Over there  
Under there

Ghosts are certainly everywhere  
Swallowing whole trees  
And startling creatures of the sea  
Ran into one under my covers  
And it gave me quite a scare  
(gave me quite a scare)

Ghosts are everywhere  
Flying through the air with the greatest of ease  
And landing here and there  
Never ever ever ever missing a beat  
As they pound with some bones on a foam chair  
And I hear them singin':

Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Everywhere

They're in the drain  
They're in the sink  
They're in between all the thoughts that you think  
They're under my shoe  
And in garbage sacks  
In the middle of a mountain  
In space where it's black  
And they're everywhere

Wandering free and brushing by me  
Late at night at the store twenty-four  
Pickin' up a box of customized cookies  
And disappearin' through the door  
And I hear them sing:

Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Na na nanana  
Ghosts are everywhere  
Everywhere  
Over there, under there  
Everywhere  
Over there, under there  
Everywhere  
Over there, under where  
Everywhere  
Ghosts are everywhere
