

Rooftops In Spain

The Presidents Of The United States Of America

Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh
Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh

I walk your gato back to your casa tonight
I'll feed you más cerveza, and wine rojo alright
El rio lobo, del macho agua
We get boca to boca, habla la pequeña vaca

La luna es la estupidez
¿Qué tal de new day?
What's your name?

Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh
Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh
Uh huh

No me molesta, buenas tardes porque
Habla más lentamente
Perdido pasaporte
Tengo dolor de muelas
Vaca rojo, vivo
No, tengo hermano
Tiene mas años que yo

La luna es la estupidez
¿Qué tal de new day?
What's your name?

Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh
Drunken promises made upon rooftops in Spain, uh huh huh
Uh huh

Broken promises made upon rooftops in Spain, uh uh huh
Uh huh
Drunken promises made, promises made
Promises made, promises made
