

# Stay With Me

## The Presidents Of The United States Of America

You packed it up and packed it in and made me feel just like a clown  
I ate mud for dinner and it made me feel down  
But then I had my dessert and it tasted so sweet  
I made you get down on my hands and on your knees  
I said to you "I love you too much to let you fly"  
Gonna make you stay with me

I remember  
I remember you  
(Gonna make you stay with me)  
I remember  
I remember you  
(Gonna make you stay with me)

Our love is like a keg who's full of beer  
Put your chapped lips on the tab  
You drain the juice out of our relationship  
Just like that  
I put a hole in my heart and it sang out loud  
You wanted to go and I said no and you said please and I said  
"Please I'm on your knees, stay with me"

Stay with me  
Stay with me  
Stay with me  
Stay with me

Stay with me  
Stay with me  
Stay with me  
Stay with me

Gonna make you stay with me

I remember  
I remember you  
(Gonna make you stay with me)  
I remember  
I remember you  
(Gonna make you stay with me)

I remember  
I remember you  
(Gonna make you stay with me)  
I remember  
I remember you
