

# Heart

The Pretty Reckless

Never wanted to feel  
Never wanted you to steal my heart  
Never wanted to know  
Never wanted to show I'm weak

I'm falling all over myself  
Trying to be someone else  
I wish you would dare to walk me home  
So I wouldn't have to feel alone

Always wanted to be  
Always wanted you to see my heart  
Always wanted your love  
Always wanted but never was

I'm falling all over myself  
Trying to be someone else  
I wish you would dare to walk me home  
So I wouldn't have to feel alone

I'm falling all over myself  
Dying to be someone else  
I wish you would dare to walk me home  
I don't wanna fight the world alone

Never told you before  
Never loved you more

I'm falling all over myself  
Trying to be someone else  
I wish you would dare to walk me home  
So I wouldn't have to feel alone

I'm falling all over myself  
Dying to be someone else  
I wish you would dare to walk me home  
I don't wanna fight the world alone  
I don't wanna fight the world alone  
I don't wanna fight the world alone
