

Messed Up World (F'd Up World)

The Pretty Reckless

Back door bitches begging me to behold
All their cash and cars, platinum, silver 'n' gold
"We're like diamonds in the sky" that is what we are told
No mountain made of money can buy you a soul

Ooh, I can see it
Ooh, I can see it
Ooh, I can see it
Coming down
Ooh, I can see it
Ooh, I can see it
Ooh, I can see it
Coming down

It's a fucked up world
What do you get?
Sex and love and guns, light a cigarette
Fucked up world
What do you get from it?
Sex and love and guns, light a cigarette
Sex and love and guns, light a cigarette

Banging little boys bugging me on the bus
Say they want to know who did it but the answer's really us see
I don't know you, why do you want to know me?
You ain't getting what you want unless you're getting it for free, and baby

Ooh, I can feel it
Ooh, I can feel it
Ooh, I can feel it
Coming down
Ooh, I can feel it
Ooh, I can feel it
Ooh, I can feel it
Coming down

It's a fucked up world
What do you get?
Sex and love and guns, light a cigarette
Fucked up world
What do you get from it?
Sex and love and guns, light a cigarette

Sex and love and guns, light a cigarette
Sex and love and guns, light a cigarette
Uuuh, yeah

Back to these backdoor bitches begging me to behave
Jamming Jesus down my throat, no, I don't want to be saved
Ain't a chain on my brain, I'm nobody's slave
I got one foot in the cradle and one in the grave

It's a fucked up world
Sex and love and guns, light a cigarette
Fucked up world
What do you get from it?
Sex and love and guns, light a cigarette

Sex and love and guns, light a cigarette
Sex and love and guns, light a cigarette

It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
(Sex and love and guns, light a cigarette)
It's a fucked up world
It's a fucked up world
It's a fucked up world
