

# Witches Burn

The Pretty Reckless

Welcome back to the days of old  
Where the men are men and the women are sold  
Unwilling sacrifice  
I'll fuck you for a price  
They kill 'em young so they never get old  
They lock the doors and pull down the shades  
After the dark they are always afraid  
But I go out at night  
I won't apologize  
But there's a price I'll pay

For this I'll burn  
For this I'll burn  
One thing I've learned  
You'll get your turn  
All witches burn  
All witches burn  
All witches burn

Don't know much about a pagan god  
If you think you're better than me I know you're not  
But I'll do what you say  
I'm learning to obey  
Down on my knees when you call me a dog  
Til I get close enough for a blade  
To stick it in then I'll spit on your grave  
I'm smilin' all the while  
You won't be at the trial  
But there's a price I'll pay

For this I'll burn  
For this I'll burn  
One thing I've learned  
You'll get your turn  
All witches burn  
All witches burn  
All witches burn

Down and down and down we go  
Scatter the ashes in the shape of soul  
The dark will have its day  
But there's a price I'll pay

For this I'll burn  
For this I'll burn  
One thing I've learned  
You'll get your turn  
All witches burn  
All witches burn  
All witches burn
