

Pretty Thing

The Pretty Things

You pretty thing,
Let me buy you a wedding ring,
Let me hear the choir sing,
Oh you pretty thing.

You pretty thing,
Let me walk you down the aisle,
Darling, it's where our love is found,
Oh you pretty thing.

Let me kiss you gentle,
Squeeze and hold you tight,
Let me give all my love,
The rest of my life.

You pretty thing,
Let me hold you by my side,
And become my blushing bride,
You pretty thing,
Pretty thing,
Let me dedicate my life,
You will always be my wife,
Oh you pretty thing.
