

# Stay Where You Are

The Prize Fighter Inferno

Laura, save your tears  
I'll be right here  
Over your shoulder watching out for you  
We've had good times, we've had bad  
But the one thing I can't have  
And that's forever, we knew I'd have to go

Oh, isn't it so hard this way, letting go  
But hold your fondest memory  
And hold it close, sing out Hallelujah  
Loud enough so the echoes know  
Where to go beyond the stars  
Just you stay where you are

All the youth I knew so well  
I was lucky can't you tell  
To see so much of the lives you would know  
With me inside them so clear  
I love you all, my dears  
But I've got nothing left so, leave me here

Oh, isn't it so hard this way, letting go  
But hold your fondest memory  
And hold it close, sing out Hallelujah  
Loud enough so the echoes know  
Where to go beyond the stars  
Just you stay where you are

Stay where you are...  
Stay where you are...  
Stay where you are...
