I've got a word of thanks that I'd like to say for the way that I feel today. Got stacks, got stacks stacks of chips on my shoulder in everything I do cuz I made, I made I made the mistake the mistake of trusting you Yeah, people like you just fuel my fire Yeah, people like you just fuel my fire Yeah, people like you just fuel my fire Yeah, people like you just do You liar You liar You liaaaaar You liaaaaar Yeah, my layers are thick and I've got bad attitude. Yeah that knife in my back has fingerprints that belong to you. Got a grudge, got a grudge got a grudge that I'm holding for as long as I like cuz you lied, you lied you lied to my face and that's something that I can't forgive Yeah, people like you just fuel my fire Yeah, people like you just fuel my fire Yeah, people like you just fuel my fire People like you just burn You liar You liar You liaaaaar You liaaaaar Yeah, people like you just fuel my fire Yeah, people like you just fuel my fire People like you just fuel my fire Yeah, people like you just do You liar You liar You liaaaaar You liaaaaar
