The Prodigy

If you believe the western sun
Is falling down on everyone
If you break it free and the mornings come
If you would know your time has come

If you believe the western sun
Is falling down on everyone
And you feel it burn, don't try to run
And you feel it burn, your time has come

And I feel it

You feel another energy
And I feel a power growing
You feel another energy
And I feel a power grow

You feel another energy
And I feel a power grow

If you believe the western sun
Is falling down on everyone
If you break it free and the mornings come
If you would know your time has come

If you believe the western sun
Is falling down on everyone
And you feel it burn, don't try to run
And you feel it burn, your time has come

And I feel it

You feel another energy
And I feel a power growing
You feel another energy
And I feel a power grow

You feel another energy
And I feel a power grow

You feel another energy
And I feel a power growing
