

# Nailed

The Project Hate MCMXIX

Before Me, I see Them fall  
Before Me the maggots crawl  
Armageddon, I shall prevail  
Upon the pole You'll be nailed

Here, the angels have fallen...  
Marked by the blood of Christ  
All the angels have fallen...  
Marked by His blood

All the angels have fallen...  
Marked by the blood of Christ  
All the angels have fallen...  
Marked by His blood

Nailed...  
Nailed...  
Nailed...  
Nailed...

Die! Die! Die!  
Nailed...  
Nailed...  
Nailed...  
Nailed!

Hatred, I inflict upon You  
Punish because I want to  
Armageddon, I spare no wrath  
You'll explore every inch of My...  
Hell!

Here, the angels have fallen...  
Marked by the blood of Christ  
All the angels have fallen...  
Marked by His blood

Mass Destruction  
Impaled angel face  
Extinction of the angelic race  
Resistance is futile...  
666  
Resistance is futile...

Join Us into darkness  
On clouded skies We ride  
Flog the angels senseless  
In torment They will die

Nailed... Their souls no longer breathe  
Nailed... Their race no longer breed  
Nailed... angels filled with demon seed  
Hailed... We stand in victory

Rise...  
Rise...  
Rise...

Rise...

We will close Their eyes now  
All the angels scream to die  
By the hands of the only god  
Now the sun will never rise

Rise...

Rise...

Rise...

Rise...

Join Us into darkness  
On clouded skies We ride  
Flog the angels senseless  
In torment They will die

Nailed... Their souls no longer breathe  
Nailed... Their race no longer breed  
Nailed... Angels filled with demon seed  
Hailed... We stand victorious
