

# Shape, Memory, Murder

The Project Hate MCMXCIX

Once again I cry these  
tears....once again  
I burn, Our shadows burn  
Our shadows, burn  
And the Angels scream My  
name but I am not willing  
to care  
In solitude I walk, I am  
immortal, I am the mortal

Bloodspill, the divine thrill  
I am the One who brought  
You to this world  
And I'll take you out -  
Killed  
Listen to the screams, the  
music of Their agony  
I can ease Your pain if  
You let Me in  
Open up your soul and let  
me sin

My Shape, My Memory,  
My Murder  
My life, My hell,  
My unbearable burden  
Enchanting Me,  
They are the Angels  
Please kill Me now,  
I'm burning

My Shape, My Memory,  
My Murder  
My life, My hell,  
My unbearable burden  
Enchanting Me,  
They are the Angels  
Please kill Me now,  
I'm burning

My Shape, My Memory,  
My Murder  
My life, My hell,  
My unbearable burden  
Enchanting Me,  
They are the Angels  
Please kill Me now,  
I'm burning

Come and share  
This love with Me  
Come and share  
My hollow infinity  
Try to be what  
Only I can be  
And sense the darkness  
I see

We'll walk this endless  
forever  
And finally remember...  
We are nothing but  
Lines in the sand  
We'll die forever  
Hand in hand

My Shape, My Memory,  
My Murder  
My life, My hell,  
My unbearable burden  
Enchanting Me,  
They are the Angels  
Please kill Me now,  
I'm burning
