

## I Never Trusted The Russians

The Promise Ring

Yeah I'm eatin' but I'm los-  
But I'm losing weight again again  
Yeah I'm eatin' but I'm los-  
But I'm losing weight again again again again

Like I could faint  
Like I could faint, faint, faint and fade away  
Like I could faint  
Like I could faint, faint, faint and fade away
