Size Of Your Life

The Promise Ring

All left hands and accidents
Size of your life
I didn't see you coming out
Corner of my eye

Yeah, I've been around before
But this time I don't
Know what's in store

Let off the gas, let the whole day pass
Back of your hand
The stereo hums 'cause it's up too loud
Ran through the night

And yeah, I've been around before
This time I don't
Know what's in store
Now, baby, I don't know what's in store

And yeah, I've been around before
But this time I don't
Know what's in store

And yeah, I've been around before
This time I don't
Know what's in store
Now, baby, I don't know what's in store
