

# Because the Night

The Protomen

Take me now baby here as I am  
Pull me close try and understand  
I work all day out in the hot sun  
Stay with me now till the mornin' comes  
Come on now try and understand  
The way I feel when I'm in your hands  
Take my hand, come undercover  
They can't hurt us now  
They can't hurt us now  
They can't hurt us now

Because the night belongs to lovers  
Because the night belongs to us  
Because the night belongs to lovers  
Because the night belongs to us

What I've got I have earned  
What I'm not, baby, I have learned  
Desire and hunger is the fire I breathe  
Just stay in my bed till the morning comes  
Come on now try and understand  
The way I feel when I'm in your hands  
Take me now as the sun descends  
They can't hurt us now  
They can't hurt us now  
They can't hurt us now

Because the night belongs to lovers  
Because the night belongs to us  
Because the night belongs to lovers  
Because the night belongs to us

Your love is here and now  
The vicious circle turns and burns without  
Though I cannot live forgive me now  
The time has come to take this moment  
Take my hand  
(They can't hurt you now)  
Take me now  
Take me now  
(They can't hurt us now)  
Take me now

Because the night belongs to lovers  
Because the night belongs to us  
Because the night belongs to lovers  
Because the night belongs to us

(One, two, three, four)  
Because the night belongs to lovers  
Because the night belongs to us  
Because the night belongs to lovers  
Because the night belongs to us

Because the night belongs to lovers  
Because the night belongs to us  
Because the night belongs to lovers

Because the night belongs to us
