

Alice's House

The Psychedelic Furs

In the house where Alice lives
(Alice's)
it's a mess of souvenirs
let to remind you telling the time
?
?
people say it's cold outside
you disagree, she's telling me...

Come and spend the day at Alice's House
pass some time away at Alice's House
write a note saying "Please don't go, please don't go"
In the
without a key
the butler is serving tea
wearing a shirt without any sleeves

in the bedroom down the hall
your secret sleeps
why don't you stay?
In the house where Alice lives
(Alice's)
It's a mess of souvenirs
let to remind you telling the time
