

Psychobilly Jekyll and Mr. Hyde

The Quakes

When I hear the sound of the slappin' bass
A change comes over me and hair grows on my face
Now you're gonna see my other side
Cause I'm a psychobilly Jekyll & Mr. Hyde

The guitar twangs and the drums it bangs
My teeth turn into long white fangs
I told you I was normal but man I lied
Cause I'm psychobilly Jekyll & Mr. Hyde

When I hear that sound I gotta get inside
I can't let any one see man I gotta hide
I told you I was normal but man I lied
Cause I'm psychobilly Jekyll & Mr. Hyde
