

Throw It All Away

The Quakes

Well me and gal got in a hell of a fight
Well she was totally wrong and I was totally right
Well I never knew love would be this way
Now I gotta live my life for today

Well im walking in the street
Got the lastest on my feet
I dont care about this world
I don't care about that girl

Throw it away

Well I got a job but it don't pay
I got a band but we cant play
Well we fooled the japs but never again
They must have lost half a million yen
